Sir / Madam

Service Provider Safety Compliance Assessment Outcome

Thank you for participating in the Service Provider Safety Compliance Assessment, which was conducted on **30 June 2009** at **Springs**.

In line with your risk profile based on your approved Scope of Work within Sasol, your company has been ranked as a **T3** service provider.

After careful consideration, the official Sasol Service Provider Assessment Adjudication Forum has approved your assessment (attached to this letter). According to the outcome of the assessment, your company has thus been awarded a **GREEN** compliance grade. **We would like to congratulate your company for having achieved these excellent results.**

Your next scheduled assessment will take place in **18months** unless your company encounters any incident, which would render the above grading invalid and may require that your company be re-assessed at short notice.

Please do not hesitate to contact us on (017) 610 7491 or spsm@sasol.com if any additional assistance or information is required relating to any SPSMAP compliance matters.

Yours faithfully

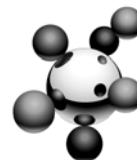

On behalf of **Hennie Meyer**
